## MILLENNIUM BCP IS THE LEADING BANK FOR COMPANIES IN PORTUGAL ACCORDING TO DATA E

**Millennium bcp is the Main Bank for Companies in Portugal, according to DATA E.**

**Millennium bcp is also the Bank with “the most suitable products for companies,” “globally more efficient,” “globally better for Companies” and “closest to its Customers.”**

Millennium bcp has just been named the Main Bank for Companies in Portugal for the fourth consecutive year, according to the BFIN 2021 study carried out by consultants DATA E, with a leading share of 19.6% for companies of various sizes (microbusinesses, SMEs and large companies).

As the main bank, Millennium bcp leads in the Industry, Construction and Commerce sectors, also heading the satisfaction and leadership indices as the main bank of companies that have used and/or applied for Covid support lines (financing and moratoria).

Regarding the image it conveys, Millennium bcp was named the Bank with the “most suitable products for Companies,” “globally more efficient,” “globally better for companies,” and “closest to its customers”.

“The information revealed by Data E translates into very positive indicators the commitment and dedication that the professionals of Millennium bcp place daily at the service of our customers,” Millennium bcp CEO Miguel Maya said. “We are pleased to receive these results, which further reinforce our confidence in the quality of the work that has been carried out by the bank’s teams, both in the commercial and support areas, work that makes us proud for demonstrating the capacity of the bank bank to assert itself as a creator of value for national businesses, even in very challenging contexts such as the one we are experiencing in these times of pandemic.”

The BFIN 2021 - Corporate Financial Services Barometer by DATA E is a study whose main objective is to characterize the Portuguese banking sector from the perspective of companies, in relation to the products and services offered by banks. The results are based on a sample of 1,569 companies from a universe of 316,861 companies and extrapolated to the Portuguese business universe (companies). The information was collected between February and May 2021.
