

Millennium bcp solidary with Comunidade Vida e Paz

Millennium bcp, within its Green IT program, started by the IT division in 2010 with the aim of reducing consumptions that have an environmental impact and, simultaneously, reduce operational costs, launched the initiative - **IT Solidário: Campanha de Inverno** -. A social action who understood the awareness of division and Bank Employees to participate by donating clothes, blankets and warm clothes for delivery to Comunidade Vida e Paz¹.

The campaign, effective during two months, helped raise about 600 different garments, proving the commitment with which employees, in a particularly adverse social context, participated in the action. As recognition form, Comunidade Vida e Paz has invited Millennium bcp to be present in their Christmas party, a celebrating event with the people which supports.

¹Institution, whose mission is to meet and welcome People homeless, or in social vulnerability situation, helping them to regain their dignity and to (re) build your life project, using an integrated action of prevention, rehabilitation and reintegration.
