

Prémio Realizar

The Microcredit operation of Millennium bcp distinguished the entrepreneurs who won the 1st Edition of the award “Realizar”¹, an initiative that aims to foster the entrepreneurial spirit and recognize successful businesses.

The award includes two categories: Dynamism and Innovation and Best Execution.

Dynamism and Innovation category awarded the Mini Eco Club, a bar and hostel, located in Club Naval of Seixal, in Madeira Island, which used to recover the space some materials, rescued from a waste centre, that were recycled and readapted to its new function. Currently employs 9 people.

In the category Best Execution the winner was the company Susana&Barbosa, Lda, a company of electrical wiring for the automobile industry, which currently employs 22 people.

¹All microcredit entrepreneurs with projects approved by Millennium bcp, between 1st of July 2011 and 30th of June 2012, were eligible. The two winners were awarded with a 5.000 € prize and an honorable mention was also attributed to the four final candidates with a 1.000€ prize given.
