

Millennium bcp Microcredit gives a €5.000 prize at Poliempreende

The Millennium bcp Microcredit operation joined the 8th edition of Poliempreende competition - presentation of business projects - sponsoring the 2nd winner project with a €5.000 prize. The Poliempreende is a contest of ideas boosted by the Portuguese Polytechnic Institutes, which aims to stimulate innovative and entrepreneurial spirit of students of the Polytechnic Institutes, in Portugal.

The winner was the Instituto Politécnico de Coimbra, with the project "Agro&biotec", an idea that will allow control and avoid the plagues affecting the wood and potatoes, with products less harmful to the environment and to humans. The second place was won by the Polytechnic Institute of Cávado and Ave with the project "Rescue Me", a platform to manage rescue teams, in emergency situations, facilitating the coordination of the resources available on the action filed.
