

Millennium bcp Foundation supports entrepreneurship

The Millennium bcp Foundation supported, in exclusive, the Startup Program of Junior Achievement Portugal.

This program had 30 tutors/volunteers from the Bank that with the cooperation of teachers provided an entrepreneurial training to about 150 students from nationwide. The N2FIX Project from Porto University was the national winner and in European competition JA-YE Europe Enterprise Challenge 2012, received the prize “Responsible Leadership Award”, for presenting the best business plan at the level of financial analysis, innovation and social and environmental responsibility.
