The preexistences will be reported on the date that the medical questionnaire that supports a subscription of this insurance is filled.

10. In case of any change of the policy's conditions, grace periods will be applied to the new coverages and to the difference of capital in excess of the previous option. Pre-existing conditions and particular exclusions will be considered based on the existing clinical information (medical questionnaire, Specific Conditions/Individual Certificate and additional information arising from the insurance utilization) for the new coverages or for the difference of capital in excess of the previous option.
