IMPORTANT NOTICE

The Listing Prospectus relating to Banco Comercial Português, S.A. (“**BCP**”, “**Banco Comercial Português**”, the “**Bank**” or “**Millennium bcp**”), acting through its international Madeira branch “*Sucursal Financeira Internacional*”, and BCP Finance Bank, Ltd., a Cayman Islands exempted company (“**BCP Finance**”) (each an “**Issuer**”, and together the “**Issuers**”), has been prepared by the Issuers and the Guarantor (as defined below) in connection with the EUR15,000,000,000 euro commercial paper programme of the Issuers and the Guarantor (the “**Programme**”).

Under the Programme the Issuers will, from time to time, issue commercial paper notes sold outside the United States pursuant to Regulation S (“**Regulation S**”) of the U.S. Securities Act of 1933, as amended (the “**Securities Act**”) (the “**Notes**”) up to a maximum aggregate principal amount outstanding at any time of EUR15,000,000,000 or its equivalent in alternative currencies. Notes issued by BCP Finance will be unconditionally and irrevocably guaranteed by Banco Comercial Português, S.A. (the “**Guarantor**”) acting through its international Madeira branch (in such capacity, the “**Guarantor**”).

This Listing Prospectus constitutes a simplified base prospectus in accordance with Chapter 2 of Part III of the Luxembourg Act dated 10 July 2005 on prospectuses for securities (the “**Luxembourg Act**”).

Application has been made to the Luxembourg Stock Exchange for (i) approval of this Listing Prospectus in its capacity as competent authority in Luxembourg for the purposes of the Luxembourg Act and (ii) the Notes described in this Listing Prospectus to be listed on the Luxembourg Stock Exchange and traded on the regulated market of the Luxembourg Stock Exchange (*Bourse de Luxembourg*). The Luxembourg Stock Exchange’s regulated market is a regulated market for the purposes of the Directive on Markets in Financial Instruments (Directive 2004/39/EC).

Notes issued under the Programme may be listed or unlisted. The terms of each Series of Notes (the “**Issuance Terms**”) will specify whether such Notes will be listed and admitted to trading on the Luxembourg Stock Exchange. Details of the Issuance Terms for each Series of Notes that are listed on the Luxembourg Stock Exchange and traded on the regulated market of the Luxembourg Stock Exchange will be published on the website of the Luxembourg Stock Exchange (www.bourse.lu) for so long as such Series of Notes are so listed and traded.

This Listing Prospectus is to be read and construed in conjunction with the documents which are incorporated by reference therein in accordance with Article 52 of the Luxembourg Law. See “*Incorporation by Reference*”.

The Issuers and the Guarantor accept responsibility for the information contained in this Listing Prospectus. To the best knowledge of the Issuers and the Guarantor (having taken all reasonable care to ensure that such is the case) the information contained in this Listing Prospectus is in accordance with the facts and does not omit anything likely to affect the import of such information.

This Listing Prospectus may only be used for the purposes for which it has been published.

This Listing Prospectus shall be valid for one year from the date hereof.

The Issuers have appointed Banco Comercial Português, S.A., Barclays Bank PLC, Citibank International plc, Credit Suisse Securities (Europe) Limited, Deutsche Bank AG, London Branch, Goldman Sachs International, The Royal Bank of Scotland plc and UBS Limited as dealers in respect of Notes (the “**Dealers**”).

This Listing Prospectus does not constitute an offer of, or an invitation by or on behalf of the Issuers, the Guarantor, the Arranger or the Dealers to subscribe for, or purchase, any Notes.

The Dealers have not independently verified the information contained herein. Accordingly, no representation, warranty or undertaking, express or implied, is made and no responsibility is accepted by the Dealers as to the accuracy or completeness of this Listing Prospectus or any further information supplied in connection with any issue of Notes. The Dealers accept no liability in relation to this Listing Prospectus or its distribution or with regard to any other information subsequently supplied by or on behalf of the Issuers or the Guarantor.

Neither the delivery of this Listing Prospectus nor any offers or sales made on the basis hereof shall under any circumstance create any implication that the information contained in this Listing Prospectus is correct at any time subsequent to its date or the date upon which this Listing Prospectus has been most recently amended or that there has been no change in the affairs of either Issuer or the Guarantor since the date hereof or the date upon which this Listing Prospectus has been most recently amended or supplemented. Neither the Issuers, the Guarantor nor the Dealers accept any responsibility, express or implied, for updating this Listing Prospectus and therefore it should not be assumed that the information contained herein is necessarily accurate, complete or up-to-date at any time subsequent to the date hereof.

No person has been authorised to give any information or to make any representation not contained, or incorporated by reference, in this Listing Prospectus or any supplement hereto and made available for inspection by the public and, if given or made, such information or representation must not be relied upon as having been authorised. Neither the Arranger nor the Dealers undertake to review the financial condition or affairs of either Issuer or the Guarantor during the term of the Programme or to advise any investor in the Notes of any information coming to their attention.

Neither this Listing Prospectus nor the documents incorporated by reference herein are intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by the Issuers, the Guarantor or the Dealers that any recipient of this Listing Prospectus should purchase any of the Notes. Each investor contemplating the purchase of any of the Notes is advised to make, and shall be deemed to have made, its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of the Issuers and the Guarantor and of the Programme as it deems necessary and must base any investment decision upon such independent assessment and investigation and not on this Listing Prospectus (which only contains certain summarised information relating to the Issuers and the Guarantor).

The distribution of this Listing Prospectus and the offer or sale of the Notes in certain jurisdictions may be restricted by law. Persons into whose possession this Listing Prospectus may come are required by the Issuers, the Guarantor and the Dealers to inform themselves of, and to observe, any such restrictions. In particular, such persons are required to comply with the restrictions on offers or sales of Notes and on distribution of this Listing Prospectus and other information in relation to the Notes set out under “*Selling Restrictions*” below. This Listing Prospectus may not be used as, or in connection with, an offer to sell or a solicitation to buy any of the Notes by anyone in any jurisdiction in which such offer or solicitation is not authorised or to any person to whom it is unlawful to make such offer or solicitation.

THE NOTES AND THE GUARANTEE THEREOF HAVE NOT BEEN AND WILL NOT BE REGISTERED UNDER THE SECURITIES ACT WITH THE U.S. SECURITIES AND EXCHANGE COMMISSION. SUBJECT TO CERTAIN EXCEPTIONS, THE NOTES MAY NOT BE OFFERED OR SOLD WITHIN THE UNITED STATES OR TO, OR FOR THE ACCOUNT OR BENEFIT OF, U.S. PERSONS (AS DEFINED IN REGULATION S). THE NOTES ARE BEING OFFERED OR SOLD OUTSIDE THE UNITED STATES TO NON-U.S. PERSONS IN RELIANCE ON REGULATION S. FOR A DESCRIPTION OF THESE AND CERTAIN FURTHER RESTRICTIONS ON OFFERS AND SALES OF THE NOTES AND DISTRIBUTION OF THIS LISTING PROSPECTUS, SEE “SELLING RESTRICTIONS”.

Neither the Issuers, the Guarantor nor any Dealer makes any comment about the treatment for taxation purposes of payments or receipts in respect of the Notes to or by a holder of Notes or the legality of the purchase of Notes by an investor under applicable investment or similar laws.

The EU has adopted a Directive (Council Directive 2003/48/EC of 3 June 2003) regarding the taxation of savings income. The Directive requires EU Member States to provide to the tax authorities of other EU Member States details of payments of interest and other similar income paid by a person within its jurisdiction to or for the benefit of an individual resident in another EU Member State. However, for a transitional period, Austria and Luxembourg are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland).

Investors should note that the European Commission adopted a new draft Savings Directive, which, among other changes, seeks to extend the application of the Savings Directive to (i) payments channelled through certain intermediate structures (whether or not established in an EU Member State) for the ultimate benefit of an EU resident individual, and (ii) a wider range of income similar to savings income. Further developments in this respect should be monitored on a continuing basis, since no certainty exists over whether and when the proposed amendments to the Savings Directive will be implemented. Investors who are in any doubt as to their position should consult their professional advisors.

Important notice concerning residency certification procedure relating to Notes issued by Banco Comercial Português, S.A. acting through its international Madeira branch “Sucursal Financeira Internacional”: Under Portuguese law, interest and other investment income derived from Notes issued by Banco Comercial Português, S.A. acting through its international Madeira branch “Sucursal Financeira Internacional” received by individuals and legal persons who are non-resident in Portugal and without a permanent establishment in Portugal may benefit from an up-front withholding tax exemption. However, this up-front withholding tax exemption is only available if certain procedures and certification requirements are complied with. Those procedures and certification requirements are set out in the section of this Listing Prospectus headed “*Taxation*”.

EACH PROSPECTIVE INVESTOR IS ADVISED TO CONSULT ITS OWN TAX ADVISER, ATTORNEY AND BUSINESS ADVISER AS TO TAX, LEGAL, BUSINESS AND RELATED MATTERS CONCERNING THE PURCHASE OF NOTES.

A communication of an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the Financial Services and Markets Act 2000 (the “FSMA”)) received in connection with the issue and sale of any Notes will only be made in circumstances in which Section 21(1) of the FSMA does not apply to the Issuer or the Guarantor.

Selling Restrictions

There are restrictions on the offer and sale of Notes and the distribution of this Listing Prospectus and other offering material. See “*Selling Restrictions*”.

Taxation

Subject to the limitations and exceptions set out in the Notes and the Guarantee, all payments under the Notes will be made free and clear of withholding or deduction for or on account of any present or future taxes or duties of whatever nature imposed or levied by or within Portugal (in the case of payments by Banco Comercial Português, S.A. acting through its international Madeira branch “*Sucursal Financeira Internacional*”) or the Cayman Islands (in the case of payments by BCP Finance), as the case may be, or by or within any political subdivision or any authority thereof or therein having the power to tax unless such withholding or deduction is required by applicable law.

In the event that any such withholding or deduction is made, the relevant Issuer or the Guarantor (as the case may be) will, save in certain circumstances set out in the Notes, pay such additional amounts as may be necessary in order that the net amounts receivable by the holder of Notes after such withholding or deduction shall equal the respective amounts which would otherwise have been receivable in respect of the Notes by such holder in the absence of such withholding or deduction.

Important notice concerning residency certification procedure relating to Notes issued by Banco Comercial Português, S.A. acting through its international Madeira branch “Sucursal Financeira Internacional”

Under Portuguese law, interest and other investment income derived from Notes issued by Banco Comercial Português, S.A. acting through its international Madeira branch “*Sucursal Financeira Internacional*” received by individuals and legal persons who are non-resident in Portugal and without a permanent establishment in Portugal may benefit from an up-front withholding tax exemption.

However, this up-front withholding tax exemption is only available if certain procedures and certification requirements are complied with. Those procedures and certification requirements are set out in the section of this Listing Prospectus headed “Taxation”.

Therefore:

Scenario 1: Failure to comply with procedure

If a holder of Notes that is non-resident in Portugal and does not have a permanent establishment in Portugal fails to comply with the procedures and certifications set out in the “Taxation” section, this will result in the application of the Portuguese withholding rate of 21.5 per cent. Such holder of Notes will therefore receive interest and other investment income in respect of the Notes net of the deduction of Portuguese withholding tax at the rate of 21.5 per cent.

Scenario 2: Comply with procedure

If a holder of Notes that is non-resident in Portugal and does not have a permanent establishment in Portugal complies with the procedures and certifications set out in the “Taxation” section, such holder of Notes will

(save as provided for in the Notes) receive interest and other investment income in respect of the Notes without any deduction of withholding tax.

Redemption

The Notes may be redeemed at par or at a specified amount, but, in any event, at an amount of not less than £100,000 (or its equivalent in a Specified Currency).

Prescription

Claims against the relevant Issuer and the Guarantor (where relevant) in respect of Notes will be prescribed and become void unless made within a period of 10 years from the appropriate Relevant Date (as defined in the Notes).

Potential eligibility of the Notes for collateral purposes in credit operations of the Eurosystem

In order to be eligible as collateral for Eurosystem operations, Notes will have to comply with all the eligibility criteria listed in Chapter 6 of “The implementation of monetary policy in the Euro area: General documentation on Eurosystem monetary policy instruments and procedures”.

Notices to holders of Notes

All notices to be published by the relevant Issuer or the Guarantor (if applicable) of each Series of Notes that are listed on the Luxembourg Stock Exchange and traded on the regulated market of the Luxembourg Stock Exchange will be published on the website of the Luxembourg Stock Exchange (www.bourse.lu).

USE OF PROCEEDS

The net proceeds from each issue of Notes will be applied by the relevant Issuer for general corporate purposes, which include making a profit, of the Banco Comercial Português Group.

Litigation

As mentioned in note 57 to the audited consolidated financial statements of Millennium bcp as at and for the year ended 31 December 2009, which are incorporated into this Listing Prospectus pursuant to paragraph (a) in the section of this Listing Prospectus headed "Incorporation by Reference":

1. "At the end of the year of 2007, the Bank received a formal notice dated 27 December 2007 informing that administrative proceeding no. 24/07/CO was being brought by the Bank of Portugal against the Bank, "based in preliminary evidence of administrative offences foreseen in the General Framework of credit Institutions and Financial Companies (approved by Decree-Law no. 298/92, of December 31), in particular with respect to breach of accounting rules, provision of false or incomplete information to

the Bank of Portugal, in particular in what respect to the amount of own funds and breach of prudential obligations”.

A press release issued by the Bank of Portugal on 28 December 2007 mentioned that such administrative proceeding was brought “*based in facts related with 17 off shore entities, which nature and activities were always hidden from the Bank of Portugal, in particular in previous inspections carried out*”.

On 12 December 2008, the Bank was notified of an accusation under the process of administrative proceeding no. 24/07/CO instructed by the Bank of Portugal.

In March 2009, the Bank did not accept the charges or accusations made against it, and provided defense under this process of administrative proceeding within their term.

2. On 12 December 2008, the Bank was notified by the CMVM of accusation under the process of administrative proceeding no No. 41/2008.

The Bank did not accept the accusation made against it and has provided, on 27 January 2009, defense under the process of administrative proceeding in question, having sustained a total rejection of the accusation.

3. On 21 December 2007, CMVM had addressed a notice to the Bank, indicating that it should make public disclosure thereof, which the Bank did on 23 December 2007. The notice read as follows:

“The CMVM, pursuant to its powers, is now engaged in a supervision action on BCP (as a listed company), in order to determine the nature and the activities of several off shore entities responsible for investments in securities issued by BCP Group or related entities. Despite the process of supervision being in progress, in particular in order to obtain a complete and final description of the situation and of the market behaviour of those entities, as well as to determine the relevant liabilities (including personal liabilities), the CMVM came to the following preliminary findings:

- (a) *The mentioned off shore entities have constituted securities portfolios – which included almost exclusively shares of BCP – with financing obtained from Banco Comercial Português, and there is, in general, no evidence that such entities were financed for this purpose by any other significant transfer from an entity external to the BCP Group;*
- (b) *It is already known that part of the debts was eliminated through the assignment of credits to third parties for a residual consideration;*
- (c) *The conditions of these financings and the governance of such entities give the appearance that BCP has assumed all the risk concerning those off shore entities, and that it had power to control the life and business of such entities;*
- (d) *Thus, such transactions are in fact the financing for the acquisition of own shares not reported as such. This configuration is also present in a transaction made with a financial institution, which lead this institution to disclose a qualified shareholding, even though the economic interest and the possibility of exercising the voting rights remained within BCP;*
- (e) *Pursuant to the described circumstances, it may be concluded that the information given to the authorities and to the market, in the past, was not always complete and/or true, in particular in what concerns the amount of BCP’s own funds and its owners; and*

- (f) *Significant market transactions made by the mentioned entities were detected, involving significant considerations; these transactions require a deeper analysis, in order to find out about possible infringements of the market rules.*

Thus, given the nature of these conclusions and the urgency of the matter, the CMVM, under article 360, no. 1, f) of the Portuguese Securities Code, asks BCP to immediately:

- (a) *Inform the market about whether the financial information recently disclosed by it already reflects all the financial losses pursuant to the above mentioned situation;*
- (b) *Inform about the existence of any other situations which were not disclosed, in order to allow the investors to make a properly reasoned judgment about the securities issued by BCP; and*
- (c) *Transcribe in its communication the full text of this CMVM notice; BCP may inform, if it deems appropriate, the fact that BCP was not yet formally heard about these conclusions.*

The CMVM will continue the current process of supervision within its powers and with all its consequences, and will notify the appropriate authorities of any illegalities of different nature, and will further cooperate with the Bank of Portugal within the framework of Bank of Portugal's powers."

4. In the process mentioned in 1. above, the Bank of Portugal charges the Bank against the practice of six administrative proceedings referred in g) and three administrative proceedings referred in r), both of article 211 of the General Framework of Credit Institutions and Financial Companies ("RGICSF").

The administrative proceedings, in case the types of conduct listed in the accusation are demonstrated, would be the following:

- (a) the breach of accounting rules or procedures set forth in the law or by the Bank of Portugal which does not cause a serious harm to the knowledge of the patrimonial and financial standing of the Institution constitutes an administrative offence foreseen in article 210, f), of RGICSF, punished, in the case of companies, with a fine between Euros 750 and Euros 750,000. If, on the other hand, the relevant conduct causes such serious harm, that may constitute an administrative offence foreseen in article 211, g), of RGICSF, punished, in the case of companies, with a fine between Euros 2,500 and Euros 2,494,000; and
- (b) The (i) omission of information and communications due to the Bank of Portugal, within the defined deadlines, or (ii) the provision of incomplete information, constitute an administrative offence foreseen in article 210, h) (now i)), of RGICSF, punished, in the case of companies, with a fine between Euros 750 and Euros 750,000. On the other hand, the provision to the Bank of Portugal of (i) false information, or (ii) incomplete information, capable of leading to erroneous conclusions with identical or similar effect to that of the provision of false information on the matter constitute an administrative offence foreseen in article 211, r), of RGICSF, punished, in the case of companies, with a fine between Euros 2,500 and Euros 2,494,000.

According to the accusation, each of the administrative proceedings are punished by a fine between Euros 2,493.99 and Euros 2,493,989.49, which, according to the rule of the contest of offenses foreseen in the article 19º, no. 1 and 2 of the General of the Administrative Proceedings, in case of conviction of several administrative proceedings in contest, there can only be one fine, of which the upper limit can not exceed twice the highest limit of administrative proceedings in contest.

5. In the accusation notified to the Bank in the administrative proceeding no. 41/2008 CMVM referred in 2. above, the Bank was charged against seven administrative proceeding for alleged violation of article 7. Portuguese Securities Code (“CVM”) and article 389, paragraph 1, a) of the CVM.

Pursuant to article 7 of the CVM, the information relating to financial instruments, organized trading, financial intermediation activities, settlement and clearing of transactions, public offers and issuers should be complete, truthful, up-to-date, clear, objective and lawful.

According to the accusation, each of the administrative proceedings can be punished by a fine between Euros 25,000 and Euros 2,500,000, which, according to the rule of the contest of offenses foreseen in the article 19º, no. 1 and 2 of the General of the Administrative Proceedings, in case of conviction of several administrative proceedings in contest, there can only be one fine, of which the upper limit can not exceed twice the highest limit of administrative proceedings in contest, in the maximum amount of Euros 5,000,000.

Banco Comercial Português, S.A. received on 26 of June, a notification regarding the CMVM’s decision concerning the process 41/2008, that resulted in a single fine of 5,000,000 euros, with partial suspension of 2,500,000 euros over a 2 year period proceeding to the full fine if there is an infraction of the CMVM Regulation (*Código de Valores Mobiliários*).

On 24 of July, Banco Comercial Português, S.A. did not accept this decision and decided to appeal against the CMVM’s decision.

6. In July 2009, the Bank was notified of the accusation deducted by Public Ministry in a criminal process against five former members of the Board of Directors of the Bank, related mainly to the above mentioned facts and note 56, and to present in this process a request for an indemnity.

Considering this notification, and although considering as reproduced the contents of the defence presented in the above mentioned administrative proceedings, the Bank decided, in order to avoid any risk of a future allegation of loss of the right to an indemnity that may occur if no recourse is presented in this process, presented legal documentation regarding: (i) the recognition of its right, in a later period namely following the final identification of the facts, present a separate process in civil courts requesting an indemnity and (ii) additionally and cautiously, if the right to the request of a separate indemnity process in civil courts is not recognized, a civil indemnity according to the facts and terms mentioned in the accusation, if they are proven.”

In relation to the proceeding referred to in 1., the stage of discovery of evidences (testimonies) requested by the other defendants ended in October 2009. The Bank is now waiting for a decision from the Bank of Portugal.

In relation to the proceeding referred to in 2., in March 2010, the Bank, asked by the court whether it would object to a decision on the appeal without trial, expressed the intention to proceed with the trial.

On 12 May 2010, Banco Comercial Português was notified of the Bank of Portugal's decision, within the Administrative Proceeding nr. 24/07/CO, that resulted in the condemnation of the Bank for infractions foreseen in Legal Framework of Credit Institutions and Financial Companies (RGICSF) and related to years prior to 2007, with the application of the following penalties: (i) a single fine of €5,000,000, and (ii) publication of the definitive sanction. The Bank was also informed that it was not the object of any other measure. The Bank is considering whether to appeal the decision of the Bank of Portugal and will take a decision as soon as the appropriate corporate governance bodies meet, based on the ultimate interests of the institution, its shareholders and clients.

European Union Directive on the Taxation of Savings Income

The EU has adopted a Directive (Council Directive 2003/48/EC of 3 June 2003) regarding the taxation of savings income. The Directive requires EU Member States to provide to the tax authorities of other EU Member States details of payments of interest and other similar income paid by a person within its jurisdiction to or for the benefit of an individual resident in another EU Member State. However, for a transitional period, Austria and Luxembourg are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland).

Investors should note that the European Commission adopted a new draft Savings Directive, which, among other changes, seeks to extend the application of the Savings Directive to (i) payments channelled through certain intermediate structures (whether or not established in an EU Member State) for the ultimate benefit of an EU resident individual, and (ii) a wider range of income similar to savings income. Further developments in this respect should be monitored on a continuing basis, since no certainty exists over whether and when the proposed amendments to the Savings Directive will be implemented. Investors who are in any doubt as to their position should consult their professional advisors.

Cayman Islands Taxation

There is at present, no direct taxation in the Cayman Islands and interest, dividends and gains payable to BCP Finance will be received free of all Cayman Islands taxes.

Noteholders whose Notes are brought into the Cayman Islands may in certain circumstances be liable to pay stamp duty imposed under the laws of the Cayman Islands in respect of the Notes; and registered securities evidencing a Note or Notes to which title is not transferable by delivery will not attract Cayman Islands stamp duties. However, an instrument transferring title to such a registered security, if brought into or executed in the Cayman Islands, would be subject to Cayman Islands stamp duty.

BCP Finance is an exempted company under Cayman Islands law and BCP Finance has received an undertaking from the Governor-in-Council of the Cayman Islands as to tax concessions pursuant to Section 6 of the Tax Concessions Law (1999 Revision) which provides that, for a period of 20 years from the date of issue of the undertaking, no law enacted in the Cayman Islands imposing any taxes or appreciations to be levied on profits or income or gains or appreciations shall apply to its operations, and that any such tax or any tax in the nature of estate, duty or inheritance tax shall not be payable on any shares, debenture or other obligations of BCP Finance or by way of the withholding in whole or in part of any payment of divided or other distribution of income or capital by BCP Finance to its members or payments of principal or interest or other sums due under a debenture or other obligation of BCP Finance..

Under Current Cayman Islands law, income prospects made by BCP Finance will not be subject to withholding tax in the Cayman Islands.

 - 11.1 All amounts payable (whether in respect of principal, interest or otherwise) in respect of this Note by the Issuer [or the Guarantor]¹ will be made without withholding or deduction for or on account of any present or future taxes or, duties of whatever nature imposed or levied by or on behalf of [Portugal] [and] [the Cayman Islands]¹ or any political subdivision thereof or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law. In that event, the Issuer [or the Guarantor]¹ will pay such additional amounts as may be necessary in order that the net amounts receivable by the holder after such withholding or deduction shall equal the respective amounts which would otherwise have been receivable in respect of this Note by such holder in the absence of such withholding or deduction; except that no such additional amounts shall be payable in relation to any payment in respect of this Note:
 - 11.1.1 to, or to a third party on behalf of, a holder who is liable to such taxes or duties in respect of this Note by reason of his having some connection with Portugal [or the Cayman Islands]¹ other than by reason of (a) the mere holding of or (b) the receipt of principal, interest or other amount in respect of this Note;
 - 11.1.2 presented for payment more than 30 days after the Relevant Date (as defined below), except to the extent that the relevant holder would have been entitled to such additional

amounts on presenting the same for payment on or before the expiry of such period of 30 days;

11.1.3 where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to any European Union Directive on the taxation of savings implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 or any law implementing or complying with, or introduced in order to conform to, such Directive; and/or

11.1.4 presented for payment by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting this Note to another paying agent, notice of whose appointment has been given to Noteholders, in a member state of the European Union, or by making a declaration of non-residence or other similar claim for exemption.

11.2 For the purposes of paragraph 11.1 above the “Relevant Date” means, in respect of any payment, the date on which such payment first becomes due and payable, but if the full amount of the moneys payable has not been received by the Principal Paying Agent on or prior to such due date, it means the first date on which, the full amount of such moneys having been so received and being available for payment to holders, notice to that effect shall have been duly given to the holders of this Note.

11.3 If the Issuer [or the Guarantor]¹ becomes subject generally at any time to any taxing jurisdiction other than or in addition to [Portugal] [and] [the Cayman Islands]¹ references in Paragraph 11.1 to [Portugal] [and] [the Cayman Islands] shall be read and construed as references to [Portugal] [and] [the Cayman Islands]¹ and/or to such other jurisdiction(s).

12. This Note is a direct, unconditional and general obligation of [each of] the Issuer [and the Guarantor, respectively]¹ and ranks *pari passu* and equally with all unsecured indebtedness of the Issuer [and the Guarantor, respectively]¹ in respect of moneys borrowed.

13. This Note and any non-contractual obligations arising out of or in connection with it shall be governed by, and shall be construed in accordance with, English law. The courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with this Note and accordingly any legal action or proceedings arising out of or in connection with this Note (“Proceedings”) may be brought in such courts. The Issuer [and the Guarantor]¹ irrevocably submit[s] to the jurisdiction of such courts and waive[s] any objection to Proceedings in any such courts whether on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. These submissions are made for the benefit of the Noteholders and shall not affect the right of any party to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in any one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not). Nothing shall affect the right to serve process in any other manner permitted by law.

The determination of the Rate of Interest and the Amount of Interest by the Principal Paying Agent shall (in the absence of manifest error) be final and binding on all parties. A certificate of the Principal Paying Agent as to the Rate of Interest payable hereon for any Interest Period shall be conclusive and binding as between the Issuer and bearer hereof.
6. Payment will be made in same day funds by transfer to an account denominated in the Specified Currency maintained with a bank in a city located outside the United States and being the principal financial centre of the jurisdiction of the Specified Currency (or, in the case of U.S. Dollars, London or, in the case of Euro, the principal financial centre of a member state of the European Communities) and each payment so made will discharge the Issuer’s obligations in respect thereof. Any failure to

make the entries in the records of the relevant Clearing Systems referred to herein shall not affect such discharge. The Issuer shall procure that details of each such payment shall be entered pro rata in the records of the relevant Clearing Systems and in the case of any payment of principal, and upon any such entry being made, the principal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Bearer Global Note shall be reduced by the aggregate principal amount of the Notes so redeemed.

7. Claims against the Issuer [and the Guarantor]¹ for payment of principal and interest in respect of Notes represented by this Note will be prescribed and become void unless made within a period of 10 years from the appropriate Relevant Date (as defined in paragraph 11.2).
8. This Note represents individual Notes, each in the Denomination and in an aggregate principal amount equal to the aggregate principal amount of the Notes (the “Principal Amount”) from time to time entered in the records of both Euroclear and Clearstream, Luxembourg and/or any such other securities clearance and/or settlement system which (i) complies, as of the Issue Date, with the Market Convention on Short-Term European Paper dated 9 June 2006 and adopted by the ACI – The Financial Markets Association and the European Banking Federation (as amended from time to time) and (ii) is authorised to hold this Bearer Global Note as eligible collateral for Eurosystem monetary policy and intra-day credit operations, in each case as agreed between the Issuer, the relevant Dealers and the Agent from time to time (together, the “relevant Clearing Systems”). The records of the relevant Clearing Systems (which expression in this Bearer Global Note means the records that each relevant Clearing System holds for its customers which reflect the amount of such customers’ interest in the Notes) shall be conclusive evidence of the principal amount of the Notes represented by this Bearer Global Note and, for these purposes, a statement issued by a relevant Clearing System (which statement shall be made available to the bearer of this Bearer Global Note upon request) stating the principal amount of Notes represented by this Bearer Global Note at any time shall be conclusive evidence of the records of the relevant Clearing System at that time.
9. This Note is not exchangeable for definitive Notes. Title to this Note will pass by delivery. The Issuer and any agent of the Issuer may deem and treat the bearer hereof as the absolute owner of this Note, notwithstanding any notice of ownership or writing hereon, and shall not be affected by any notice to the contrary.
10. If the Maturity Date or any Interest Payment Date of this Note is not a day which is a Business Day (i) (where the Specified Currency is not Euro) in the principal financial centre of the jurisdiction of the Specified Currency or (ii) (where the Specified Currency is Euro) a day which is a TARGET Business Day, payment in respect hereof will be made on the next day thereafter which is a Business Day in each such place, unless such day is in the next calendar month or such day is more than 364 days from the Issue Date of this Note, in which case such payment shall be made on the first preceding day which is such a Business Day in each such place, and in no such case will additional or lesser amounts be due and payable in respect hereof. “Business Day”, as used herein with respect to any location, shall mean, in the case of (i) above, any day, other than a Saturday or Sunday, on which commercial banks and foreign exchange markets are open for business in such location and, in the case of (ii) above, a day which is a TARGET Business Day.

When used in this Note, “TARGET Business Day” means a day on which the Trans-European Automated Real-time Gross Settlement Express Transfer (known as TARGET2) System, which was

APPENDIX 2 – FORM OF THE GUARANTEE

DEED OF GUARANTEE

This Deed of Guarantee is made on 23 December 2010 by Banco Comercial Português, S.A., a limited liability company (a “*sociedade anónima*”) incorporated under the laws of Portugal (acting through its international Madeira branch “*Sucursal Financeira Internacional*”) (“**BCP**” or the “**Guarantor**”).

This Deed Witnesses as follows:

The Guarantor, for value received, hereby agrees as follows for the benefit of the holders from time to time of the Notes hereinafter described:

1. The Guarantor irrevocably guarantees, by way of deed, payment in full, as and when the same becomes due and payable, of the principal of and interest, if any, on the Euro commercial paper notes (the “**Notes**”) issued by BCP Finance Bank, Ltd., an exempted company incorporated with limited liability under the laws of the Cayman Islands and a wholly-owned subsidiary of the Guarantor (“**BCP Finance**”), from time to time pursuant to the Amended and Restated Issuing and Paying Agency Agreement, dated 23 December 2010 as the same may be amended, supplemented or modified from time to time (the “**Issuing and Paying Agency Agreement**”), among the Guarantor, BCP and BCP Finance as Issuers and Citibank N.A., London branch as Principal Paying Agent in the form of bearer global notes.
2.
 - 2.1. The Guarantor’s obligations under this Deed of Guarantee shall be unconditional, irrespective of the validity or enforceability of any provision of the Issuing and Paying Agency Agreement or the Notes. The obligations of the Guarantor under this Deed of Guarantee constitute senior, direct, unsecured and unsubordinated obligations of the Guarantor and rank *pari passu* with all other present or future unsecured and unsubordinated obligations of the Guarantor, save for such as may be preferred by mandatory provisions of applicable law. The obligations of the Guarantor under this Deed of Guarantee shall be deemed to be undertaken as sole principal obligor and not merely as surety.
 - 2.2. No holder of Notes shall be obliged before exercising any of the rights, powers or remedies conferred upon it by this Deed of Guarantee or by law to make any demand of BCP Finance, other than the presentation of the relevant Note; to make any action or obtain judgment in any court against BCP Finance; or to make or file any claim or proof in a winding-up or dissolution of BCP Finance.
3. This Deed of Guarantee is a guarantee of the due and punctual payment of all obligations of BCP Finance in respect of the Notes (and not a guarantee of collection only) and shall remain in full force and effect until all amounts hereunder have been validly, finally and irrevocably paid in full. The obligations of the Guarantor and the rights, powers and remedies conferred upon the holders of Notes under this Deed of Guarantee will not be affected by any act, omission, matter or thing which, but for this provision, would reduce, release or prejudice any of its obligations or rights under this Deed of Guarantee or prejudice or diminish those obligations or rights in whole or in part in any respect, including, but not limited to, (a) the absence of any action to obtain such amounts from BCP Finance, (b) any amendment to, variation, extension, waiver, compromise or release of any or all of the obligations of BCP Finance under either of the Issuing and Paying Agency Agreement or the Notes, (c) any change in the existence or structure of, or the bankruptcy or insolvency of, BCP Finance, (d) any of the obligations of BCP Finance under any of the Notes being or becoming illegal, invalid or unenforceable in any respect, (e) any action of any government or official body or agency or any court amending, arranging, reducing, suspending or otherwise affecting the obligations of BCP Finance (or

purporting to do so) or (f) any other circumstance or condition whatsoever (other than by complete, irrevocable payment) that might otherwise constitute a legal or equitable discharge or defense of a guarantor. The Guarantor waives all requirements as to promptness, diligence, presentment, demand for payment, protest and notice of any kind with respect to the Issuing and Paying Agency Agreement and the Notes.

4. This Deed of Guarantee shall remain in full force and effect or shall be reinstated (as the case may be) if at any time any payment of BCP Finance, in whole or in part, is rescinded or must otherwise be returned by the holder of Notes upon the insolvency, bankruptcy or reorganization of BCP Finance or otherwise, all as though such payment had not been made. The obligations of the Guarantor under this Deed of Guarantee are continuing obligations and will extend to all sums payable by BCP Finance to the holders of the Notes, regardless of any intermediate payment or discharge or settlement of account in whole or in part or any other matter or thing whatsoever.
5.
 - 5.1. All amounts payable (whether in respect of principal, interest or otherwise) in respect of this Deed of Guarantee by the Guarantor will be made without withholding or deduction for or on account of any present or future taxes or, duties of whatever nature imposed or levied by or on behalf of the Cayman Islands and Portugal or any political subdivision thereof or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law. In that event, the Guarantor will pay such additional amounts as may be necessary in order that the net amounts receivable by the holder after such withholding or deduction shall equal the respective amounts which would otherwise have been receivable in respect of this Deed of Guarantee by such holder in the absence of such withholding or deduction; except that no such additional amounts shall be payable in relation to any payment in respect of this Deed of Guarantee:
 - 5.1.1. to, or to a third party on behalf of, a holder who is liable to such taxes or duties in respect of this Deed of Guarantee by reason of his having some connection with Portugal or the Cayman Islands other than by reason of (a) the mere holding of the Notes or (b) the receipt of principal, interest or other amount in respect of the Notes or this Deed of Guarantee;
 - 5.1.2. presented for payment more than 30 days after the Relevant Date (as defined below), except to the extent that the relevant holder would have been entitled to such additional amounts on presenting the same for payment on or before the expiry of such period of 30 days;
 - 5.1.3. where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to any European Union Directive on the taxation of savings implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 or any law implementing or complying with, or introduced in order to conform to, such Directive; and/or
 - 5.1.4. presented for payment by or on behalf of a holder of a Note who would have been able to avoid such withholding or deduction by presenting such Note to another paying agent, notice of whose appointment has been given to Noteholders, in a member state of the European Union, or by making a declaration of non-residence or other similar claim for exemption.
 - 5.2 For the purposes of paragraph 5.1 above the “**Relevant Date**” means, in respect of any payment, the date on which such payment first becomes due and payable, but if the full amount of the moneys payable has not been received by the Principal Paying Agent on or prior to such due date, it means the first date on which, the full amount of such moneys having been so received and being available for payment to holders, notice to that effect shall have been duly given to the holders of the Notes.

- 5.3 If BCP Finance or the Guarantor becomes subject generally at any time to any taxing jurisdiction other than or in addition to the Cayman Islands or Portugal, as the case may be, references in Paragraph 5.1 to Portugal and the Cayman Islands shall be read and construed as references to Portugal and the Cayman Islands and/or to such other jurisdiction(s).
6. The courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with this Deed of Guarantee or the Notes and accordingly any legal action or proceedings arising out of or in connection with this Deed of Guarantee or the Notes (“**Proceedings**”) may be brought in such courts. The Guarantor irrevocably submits to the jurisdiction of such courts and waives any objection to Proceedings in any such courts whether on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. These submissions are made for the benefit of the Agents, Dealers and Arranger and shall not affect the right of any party to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in any one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not). Nothing shall affect the right to serve process in any other manner permitted by law.
7. The Guarantor will indemnify any holder of a Note against any loss incurred by such holder as a result of any judgment being given or made for the amount due under such Note or this Deed of Guarantee and such judgment or order being paid in a currency (the “**Judgment Currency**”) other than the Specified Currency as a result of any variation as between (i) the rate of exchange at which the Specified Currency are converted into the Judgment Currency for the purpose of such judgment or order, and (ii) the rate of exchange at which such holder, acting prudently and with reasonable business judgment, is able to purchase the Specified Currency with the amount of the Judgment Currency actually received by such holder. The foregoing indemnity shall constitute a separate and independent obligation of the Guarantor and shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term “**rate of exchange**” shall include any premiums and costs of exchange payable in connection with the purchase of, or conversion into, the relevant currency. For purposes of this Paragraph 7, “**Specified Currency**” shall mean the currency in which the relevant Note is denominated.
8. Terms defined in or for the purposes of the Issuing and Paying Agency Agreement, the Amended and Restated Euro Commercial Paper Dealer Agreement dated 23 December 2010 as the same may be amended, supplemented or modified from time to time, between the Guarantor (both in its capacity as an Issuer and as Guarantor), BCP Finance and the Arrangers and Dealers named therein and/or the Notes shall have the same meaning in this Deed of Guarantee, except where the context requires otherwise or where a different meaning is attributed to the relevant terms.
9. The Guarantor agrees that it shall comply with and be bound by those provisions contained in the Notes which relate to it.
10. This Deed of Guarantee and any non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with English law.
11. A person who is not a party to this Deed of Guarantee has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Deed of Guarantee except and to the extent (if any) that this Agreement expressly provides for such Act to apply to any of its terms.

IN WITNESS WHEREOF, the Guarantor has caused this Deed of Guarantee to be duly delivered as a deed the day and year first above written.
