

Notice to unitholders of the UBS (Lux) Bond Fund (the "Fund")

The Board of Directors of the Management Company wishes to inform you of the following changes in the April 2015 version of the Fund's sales prospectus:

- 1) The section entitled "Collateral management" contains information regarding the decision taken by the Management Company to make use of the exemption clause described therein and accept collateralisation worth up to 50% of the net assets of the respective Subfund in government bonds which are issued or guaranteed by the following countries: USA, Japan, UK, Germany and Switzerland.
- 2) In the section entitled "Net asset value, issue, redemption and conversion price", it shall be clarified that the same valuation methods are used for the valuation of money market instruments in non-money market funds as for money market instruments in money market funds (mark-to-market). In the interests of unitholders, the valuation methods were harmonised on 1 December 2014.
- 3) The cut-off time shall be changed from 16:00 (CET) to 15:00 (CET). From 1 July 2015, subscription and redemption applications ("orders") registered with the Administrative Agent no later than 15:00 CET (cut-off time) on a business day ("order date") will be processed on the following business day (valuation date) on the basis of the net asset value calculated for that day.
- 4) In the section entitled "Redemption of units", it shall be clarified that the countervalue for redeemed Subfund units is paid at the latest on the third business day after the order date (value date) unless legal provisions, such as foreign exchange controls or restrictions on capital movements, or other circumstances beyond the control of the Custodian Bank, make it impossible to transfer the redemption amount to the country in which the redemption order was submitted. By including "at the latest", the methodology for the redemption of units shall be brought in line with the methodology already used for issuing units.
- 5) The maximum conversion fee will be increased to the level of the maximum issue fee of the respective Subfund or unit class. No additional redemption fees shall be charged in connection with conversions.
- 6) The Fund's fee structure, as described in the section entitled "Expenses paid by the Fund" of the sales prospectus, shall be changed as follows:
 1. For the management, portfolio management and distribution of the Fund (if applicable), as well as for all the tasks of the Custodian Bank, such as the safekeeping and supervision of the Fund's assets, the handling of payment transactions and all other tasks listed in the section entitled "Custodian Bank and main paying agent", the Management Company receives from the Fund's assets a maximum flat fee based on the net asset value of the Fund, in accordance with the following provisions: This fee is charged to the Fund's assets on a pro rata basis upon every calculation of the net asset value and is paid on a monthly basis (maximum flat fee).

The actual maximum rate applied to the flat fee can be found in the annual and semi-annual reports.
 2. The maximum flat fee does not include the following fees and additional expenses, which are also charged to the Fund:
 - a) all additional expenses related to management of the Fund's assets for the sale and purchase of assets (bid/offer spread, brokerage fees in line with the market, commissions, fees, etc.). These expenses are generally calculated upon the purchase or sale of the respective assets. In derogation hereto, these additional expenses, which arise through the sale and purchase of assets in connection with the settlement of the issue and redemption of units, are covered by the application of the single swing pricing principle pursuant to the section entitled "Net asset value, issue, redemption and conversion price";
 - b) fees of the supervisory authority for the establishment, modification, liquidation and merger of the Fund, as well as all fees of the supervisory authorities and any stock exchanges on which the Subfunds are listed;
 - c) auditor's fees for the annual audit and certification in connection with the establishment, modification, liquidation and merger of the Fund, as well as any other fees paid to the auditor for the services it provides in relation to the administration of the Fund and as permissible by law;
 - d) fees for legal and tax advisers, as well as notaries, in connection with the establishment, registration in distribution countries, modification, liquidation and merger of the Fund, as well as for the general safeguarding of the interests of the Fund and its investors, insofar as this is not expressly prohibited by law;
 - e) costs for the publication of the Fund's net asset value and all costs for notices to investors, including translation costs;
 - f) costs for the Fund's legal documents (prospectuses, KIID, annual and semi-annual reports, as well as all other documents legally required in the countries of domiciliation and distribution);
 - g) costs for the Fund's registration with any foreign supervisory authorities, if applicable, including fees, translation costs and fees for the foreign representative or paying agent;
 - h) expenses incurred through use of voting or creditors' rights by the Fund, including fees for external advisers;
 - i) costs and fees related to any intellectual property registered in the Fund's name or usufructuary rights of the Fund;
