

## Important Notice

# Changes to the names of our Luxembourg SICAVs

In 2021 Columbia Threadneedle Investments acquired BMO's asset management business in EMEA (Europe, Middle East and Africa), resulting in the renaming of various funds and entities within the combined business to reflect a unified Columbia Threadneedle Investments brand in July 2022. We have now completed this work by changing the names of two of our Luxembourg SICAV Companies and their underlying funds.

## Renaming the Companies

The two company names have changed as follows:

Existing Umbrella Name	New Umbrella Name
Columbia Threadneedle (Lux)	Columbia Threadneedle (Lux) II
Threadneedle (Lux)	Columbia Threadneedle (Lux) I

## Renaming the sub funds

In addition to renaming the Companies, the names of the underlying funds in these umbrellas have also changed, replacing the pre-fix "Columbia Threadneedle (Lux)" with "CT (Lux)" and replacing the pre-fix "Threadneedle (Lux)" with "CT (Lux)" as of 20 November 2023. This better aligns the fund names with the Columbia Threadneedle Investments brand.

The renaming of the funds will not affect the way in which they are managed or their investment objectives and policies. The costs associated with these changes will be borne by Columbia Threadneedle Investments, there is no cost to investors in the funds.

The Management Company will remain as "Threadneedle Management Luxembourg S.A." and the appointed investment managers (Sub-Advisors) will not be changing name. The only change to the bank account details will be the account name, the account numbers and identifiers will stay the same.

**You will need to use these new names when searching for funds on platforms and databases.**
